

# MANALEO

Hawaiian Cultural Foundation Pending 501 C (3)

## "Manaleo Hawaiian Cultural Foundation"

**Manaleo is dedicated to helping the Hawaiian culture and its people continue its regeneration in our dominant society. Manaleo's music is just one aspect of what we do. We have created a Non-Profit organization that has been formed to aid in the education and perpetuation of the culture through providing scholarships in Hawaiian arts, crafts, music, dance and native language studies to individuals who desire to rebuild and perpetuate the culture.**

**Proceeds from our Annual Napa Valley Aloha Festivals, government, private grants, public donations will provide funds for these scholarships and is offered to those who show a genuine interest in leaning about the Hawaiian culture and heritage through participating educational organizations and individuals dedicated to accurately teaching many of these lost or dying arts known to the native Hawaiian people. For further information about this foundation and for scholarship applications, please contact Jerry Gillgren or Keoki Cortez at (707) 966-4017. We would be happy to assist you with any questions you may have. Help us keep the culture alive by supporting our vision and cause. Mahalo for your interest and blessings to all.**
